## President's Message

By George T. Underhill

For those who have a computer I am sure you are amazed, as I am, by all you can do and learn with a computer. The following are some interesting messages I have received as President of the Underhill Society.

A Carl Underhill contacted Mel Underhill, our webmaster, about the Underhill Society website, located at address [UnderhillSociety.underhill.net](http://UnderhillSociety.underhill.net). Mel e-mailed Carl and told him we had a Carl Underhill in the Underhill Society who is our genealogist and asked for some information about himself. He responded:

"Thanks all for your correspondence. I am the 3rd of 4 Carl Anthony Underhill's. My Grandfather grew up on a farm in Michigan - not sure where; but ultimately settled in Birmingham, near Detroit. He owned his own business, 'Underhill & Co.', which was a wholesale metal distributor to the car manufacturers. He died around 1973. My father (Carl Jr.) was born there in '32. I was born in Bloomfield Hills, next town over, in '63. We moved to Vero Beach, Florida in '70, and I grew up there. I went to college in Granville, OH at Denison University. I now live in Medfield, MA, near Boston, and have a son, Carl IV, whom was born in '95. I also have a daughter, Madison who was born in '97. My wife's name is Ellen. I manage computer systems for a mutual fund company in Boston, MFS Investment Management. I enjoy many (too many) hobbies including fly fishing, hunting, wood working, and home improvement. I will certainly have a look at the site now, and sign back up! Carl." *We now learn that the Massachusetts and Michigan Carl Underhills are related!*

The following paragraph is an e-mail response to an e-mail Kathleen (last name unknown) had sent to our webmaster, Mel Underhill, and answered by our genealogist Carl Underhill. After answering her questions about Abraham Underhill and George Clark Underhill, Carl wrote;

"Now, for your third question - the Underhill Society has not placed any of our various publications on line. As you may know, we have six (6) volumes of the Underhill Genealogy already in print and available for purchase (details are on our website Heritage Corner page). We are working on Volume 7 at this time and newsletters have not been placed online at this time, either. Our Board has not made a decision or taken

## Editor's Message

This is my first editorial as your editor for the News and Views. I consider it an honor and a pleasure to serve in this capacity. As many of you know, I also serve as the webmaster for our Internet presence. If you have access to a personal computer the address for our website is [UnderhillSociety.underhill.net](http://UnderhillSociety.underhill.net).

I am always looking for new ideas to enhance our website, so if the light bulb comes on just send me a note in the mail, or send me an e-mail at [mel@underhill.net](mailto:mel@underhill.net). Further, in addition to myself, the e-mail address for our president [george@underhill.net](mailto:george@underhill.net) and our genealogist [emu@kvi.net](mailto:emu@kvi.net) appear at the bottom of any page on our website. I hope you enjoy the articles and photos as much as I enjoyed assembling the newsletter.

Mel Underhill
